Future Priorities

- ✓ Fostering a vibrant community of faith is at the forefront of our priorities, as we are committed to nurturing the spiritual lives of our staff, students, and families. Through the celebration and promotion of community service and compassion for others we will embrace an attitude of serving others. Our school focus of “Seton Serves” will be the main avenue to reach this priority.
- ✓ We continue to strive to enhance parental involvement in our school, with a particular focus on creating opportunities to gather as a large community. By fostering stronger connections between parents and the school, we will benefit from the team approach to guiding our children.
- ✓ Elevating our communication channels continues to be a key priority as we strive to enhance awareness of the diverse array of events, programs, and activities within our school that directly benefit our children. By fostering more robust connections with stakeholders, we aim to ensure that our community is well-informed and engaged, ultimately enriching the educational experience for every child.
