

St. Elizabeth Seton

MARCH NEWSLETTER

As we close out February and look forward to March, we would like to express our gratitude to the St. Elizabeth Seton School community for our many blessings. While the many cold days during February brought some challenges, we are thankful for warmer spring weather to come!

Shrove Tuesday, March 4

It's that time of year again! Lent is almost upon us! And you know what that means?!? We will have pancakes in celebration of Shrove Tuesday on March 4 in the morning, courtesy of our amazing Parent Council!

Spring Parent-Teacher Interviews/Student-Led Conferences

It is Parent Conference time again! We will be having a mixture of Student-Led Conferences as well as traditional Parent Teacher Interviews. All traditional PTI's will be pre-booked by the teacher.

Student-led conferences offer authentic opportunities for students to share their learning with their parents. In effect, Student-Led Conferences allow your child to be the teacher and demonstrate his/her learning to you! All Student-led conferences will be based on a sign-up process which will be open March 5-March 18.

Please watch for additional information to come!

Family Night Out with the RED DEER REBELS - Saturday, March 1

Current Kindergarten to Grade 4 Students - Intent Forms - **IMPORTANT - Please Complete!**

As we look forward to next year, we start to gather input and information from all of our stakeholders in order to make the best decisions possible for St. Elizabeth Seton School. Part of this information gathering is looking to you, our parents and guardians, to try and determine what our enrollment will look like in the coming year.

Please complete this [FORM](#) to let us know if your child(ren) will be returning to St. Elizabeth for the 2025-2026 school year. Whether you are returning or not, please complete the form as soon as possible to help us make our decisions for next year.

Student Illness

Help keep our School Healthy! We are seeing an increase in illness in our school. To help reduce the spread of sickness and keep everyone as healthy as possible, we kindly ask that you keep your child home if they are feeling unwell. **Please ensure they are symptom-free for at least 24 hours before returning to school.** Your support in following this guideline helps protect students, staff, and families. Thank you for working with us to keep our school community safe and healthy!
